Chester Football Club can announce our season ticket prices for the 2018-19 campaign with price cuts and new initiatives to attract families and younger fans as the club focuses on the future.

Following the disappointment of relegation from the National League, the Blues need your support more than ever ahead of an exciting rebuild with a determination to once again give the city a team to be proud of.

Early bird prices giving tremendous value will be available until 29th June with discounts offering **4 free games** for adults and concessions - and an incredible **11 FREE games** for 5-21-year-olds.

The club is excited to launch a new **£10 season ticket for under 12s** in the Swettenham Chemists Family Zone and, with a new home shirt on sale soon, special bundles offering under-18s a shirt and season ticket for just £55 have been announced.

Early bird season tickets for adults have been reduced to £200 (standing) and £250 (seating) and concessions are £170 (standing) and £200 (seating) while prices for 18-21 and 5-17 year olds have been cut to £100 and £30 respectively in all areas and admission remains **FREE** for children under five.

Following the early bird deadline, season tickets will remain on sale at the full price, which is also a **reduction** on the current campaign.

Matchday admission prices have also been announced with adults **reduced** to £12 (standing) and £15 (seating) and concessions frozen at £10 (standing) and £12 (seating). Prices for 18-21 and 5-17 year olds are £10 and £3 respectively in all areas while under 12s can watch the action for £1 in the Swettenham Chemists Family Zone.
