

Chester FC Commercial Opportunities

OUR CITY,
OUR COMMUNITY,
OUR CLUB

“Chester FC is a focal point for the local area. **Put your business at its heart**”

The city rises

The 2018/2019 season is a great time to become a commercial partner of Chester Football Club.

There is a buzz about the club - not just with regard to the first team, who have just secured the services of Anthony Johnson and Bernard Morley, who masterminded Salford City FC's meteoric rise through the leagues, as featured on BBC's *Class of '92: Out of their League*.

Our much vaunted Academy continues to develop youngsters across its age groups, providing a seamless link to our first team and beyond - with recent Academy graduates now plying their trade for the likes of Leicester City and Notts County.

Our Community Trust continues to reach out into the community, touching the lives of thousands of local people from all walks of life.

All these positives mean the club is certain to be in the spotlight throughout the upcoming season making it a great place to promote your business, entertain guests, reward your staff and contribute to this cornerstone of the local community.
